

ITC CONFERENCE GRANTS

ITC Conference Grants are directed to young researchers from Inclusiveness Target Countries / Near Neighbour Countries for their participation in high-level conferences not organised nor co-organised by ProteoCure. It provides contributions for travelling, accommodation and subsistence expenses, registration fees, and printing of the scientific poster.

Criteria for eligibility

- Be a ProteoCure member (laboratory members included)
- Be affiliated with an institution in an Inclusiveness Target Country (ITC) or Near Neighbour Country (NNC),
- The applicant should be accepted at the conference with a poster or an oral presentation.
- The conference must take place before 30 September 2025.
- Applicants for Conference Grants may not apply for multiple types of conference grants with ProteoCure.

Inclusiveness Target Countries: Albania, Bosnia and Herzegovina, Bulgaria, Cyprus, Czech Republic, Estonia, Croatia, Georgia, Greece, Lithuania, Latvia, Malta, Moldova, Montenegro, Poland, Portugal, Romania, Slovenia, Slovakia, Republic of North Macedonia, Republic of Serbia, Turkey and Ukraine, and outermost regions: French Guiana, Guadeloupe, Martinique, Mayotte, Reunion Island and Saint-Martin (France), Azores and Madeira (Portugal), and the Canary Islands (Spain).

Near Neighbour Countries: Algeria, Azerbaijan, Egypt, the Faroe Islands, Jordan, Kosovo, Lebanon, Libya, Morocco, Palestine, Syria, and Tunisia.

To apply

The applicants should have a Letter of acceptance as a presenter (poster, oral presentation) from the conference organizers, although we welcome applications from participants who do not have the letter of acceptance yet but are planning to have it.

Application deadline: 24 January 2025

Approval of applications: mid-February 2025

Compile the ITC Conference Grant application package consisting of:

- 1) Application Form: <https://proteocure.eu/wp-content/uploads/2024/12/ITCG-application-form.docx>
- 2) Abstract for poster or oral presentation,
- 3) Letter of acceptance from the conference organisers, except if the conference timing doesn't allow it yet; in that particular case, it can be sent after the application deadline
- 4) A short CV.
- 5) Requested budget with a detailed breakdown of estimated costs.

E-mail your ITC conference grant application package as a single pdf file entitled with your surname to the ProteoCure Meeting team (meetings@proteocure.eu). Please, write "ITC Grant Application" in the subject line of your e-mail.

The Grants coordinator will distribute the applications to the ProteoCure ad hoc Committee who will assess and approve/reject the application.

Assessment criteria:

- Alignment with scientific objectives of ProteoCure,
- Added value to ProteoCure, high priority to translational conference (with industry/clinicians),
- Excellence of the candidate (motivation and CV),
- Oral presentation prioritised over poster presentation,
- Geographical and gender balance will be implemented.

Budget calculation guidelines

The ITC conference grant will be 1500€ maximum in total per grant for face-to-face conferences OR 500€ for virtual conferences.

Applications must include an estimated breakdown of costs for:

- Travel,
- Accommodation (hotel and meals not included in conference fees),
- Others: Registration fee, poster printing cost, VISA fee

Online ITC Conference Grant registration

The ProteoCure Grant Coordinator will inform you about the decision. Once notified of your proposal being accepted, you will be invited to submit your application through the e-COST web platform. You will receive guidelines from COST to use this online registration tool. These steps will allow you to receive your official Grant Letter.

Acknowledge our COST Action

Please note that the support by COST Action CA20113 ProteoCure should be acknowledged in the presentation.

E.g.: "Grateful for the travel support to attend the conference, provided by COST Action ProteoCure, CA20113 (European Cooperation in Science and Technology)."

Please, include the ProteoCure logos:
